

Welcome to
Second

Presbyterian Church Comber

MINISTER'S WELCOME

Hello!

You're very welcome to Second Comber Presbyterian Church!

Whether you come from near or far, whatever your age and stage, and whether church is totally new to you or something you're already very familiar with, you're very welcome here.

This guide will hopefully give you a flavour of some of the exciting things that are going on in our church family. If you'd like to find out more about anything at all feel free to get in touch at any time.

We are so grateful for the love of Jesus, and glad of every opportunity to share that love with others. As the minister of the congregation, I'm very glad to offer pastoral care - give me a call, text or e-mail any time you like.

Andrew

ABOUT SECOND

Second Presbyterian Church, Comber (AKA Second Comber) was established many many years ago, way before any of us were even born!

We seek to be a Biblical church, a caring church and a serving church. Our vision is to be a church for the community, becoming a 'new community' in Christ.

Our doors aren't just open on a Sunday, they are open most days of the week for our number of activities and organisations that meet throughout the week.

We are a congregation of all ages and we would love for you to join us and our community!
